**RE: Completion of Testing of 240, 260 & 274 Regulators & 290/309 Overpressure Cut-Off
ANSI Z21.80a / CSA 6.22a-2005(R2008) Line Pressure Regulators**

Dear Mr. Hinchley,

This letter is to confirm that CSA has completed its performance evaluation of the above listed products. All test results are satisfactory.

The certification report and final certificate are in the process of being created and will be mailed out shortly. In the meantime, please accept this letter as Bryan Donkin's authorization to produce and ship the above products with the CSA mark.

Regards,

Richard Clark
